MARCO ISLAND RESIDENTS' BEACH GUEST PRIVILEGES

As a member of the Marco Island Civic Association's Residents' Beach you are granted guest privileges. The guest privileges and regulations are outlined for your convenience:

1. Each household membership is permitted a maximum of five guests per day with the member.
2. Your windshield decal admits you and five others in your vehicle.
3. If your decal is not affixed to the windshield, or if you are walking or biking to the beach, you will be asked to show your Residents' Beach ID or photo identification and your ID will be matched to the computer list. This allows you to also bring five others with you per day.
4. **If a member has a guest staying with him in his Marco Island home**, the member can personally come to the MICA office on weekdays, complete a guest pass application, submit the fee, and obtain a pass for the guest. The pass will be in the guest's name for the guest's personal use without being with the member. A temporary guest pass may be issued for up to a two week period. The member can personally come in and renew the pass one time and submit the fee if the guest is staying with him in his Marco Island home for more than two weeks.
5. **If the member is not on Marco Island** but has an immediate family member staying in his Marco Island home, the member may request a temporary guest pass for a period of up to two weeks by completing a guest pass application via mail and submitting the fee. The guest pass is not renewable.
6. Fee schedule for guest passes: \$40 up to seven (7) days, \$80 up to fourteen (14) days.
7. Guest pass is limited to six individuals.
8. If everything on application is in order, guest pass may be picked up at the MICA office Monday through Friday or at the Residents' Beach gate house on Saturday and Sunday, if the pass has been pre-paid. Your guest must also present photo ID along with guest pass at the gate house on each visit.
9. Parking at Residents' Beach for guest pass holders is permitted seven days per week except from February 1 through April 8, when parking is permitted Monday through Friday only. No parking is permitted on July 4. Guest pass holders may walk onto the Residents' Beach property on Saturdays and Sundays from February 1 through April 8 and on July 4. Parking at MICA's Sarazen Park is permitted seven days per week, by placing the guest pass on the dashboard. Payment for guest pass may not be made at gate house.
10. No Guest Pass will be issued for a renter. Renters may purchase a membership if they produce a lease that is for a minimum of a one month period. Obtaining a Guest Pass for a renter could result in revocation of the Residents' Beach membership.
11. If a member has a special situation, every effort will be made to accommodate him/her within the above rules.
12. Guest pass fees are non-refundable.

I HAVE READ THE MARCO ISLAND RESIDENTS' BEACH GUEST PASS RULES AND ACCEPT AND ACKNOWLEDGE ALL GUEST PASS RULES.
